Hello qordovians! How is every thing?  
Finally I'm here! In the USA.

Now I have many friends and we live  
together in the **dormitory**.

I decided to search for a job as I need to  
depend on myself...

My friend Paul will help me with that.

# How to find a job

**Ahmed:** I was wondering if you could help me use the Student **Job Center**.

**Paul:** There are many ways; what kind of job would you like?

**Ahmed:** I want to work in a customer service company.

**Paul:** Fine! Will you need part-time or full-time work?

**Ahmed:** I need a part-time job.

**Paul:** Fine, the two best ways are to use our **local listings binders** over there or you can use the computers with the Internet job listing sites. See them over there?

# How to find a job

**Ahmed:** Yes, I know what to do.

**Paul:** Well, in addition, you can schedule an appointment with a job counselor on this list. If you would like to do that, sign here, OK?

**Ahmed:** Yes, I think that would be great.

**Paul:** Fine, well the job search tools are all here for you to use. Feel free to look around and use what works best for you. Have fun with it!

# Preparing for job interview

**Ahmed:** What should I do to prepare for a job interview?

**Paul:** An understanding of the basic workings of a company and the services or goods it provides is **essential**. Do you have that?

**Ahmed:** Sort of, but I could know more, I guess.

**Paul:** With that understanding, you can figure out what your company is looking for in terms of basic attitude. Right?

**Ahmed:** I think that they are a very formal company.

# Preparing for job interview

**Paul:** What you wear is important. So keep in mind what is suitable for the company and type of work you will be doing. Need help?

**Ahmed:** I need a lot of help in this area.

**Paul:** In addition to clothes we need to think about other basics, OK?

**Ahmed:** Yes, what else should we think of?

**Paul:** **Be prompt.** Don't forget to be friendly and interested. Listen carefully and listen to what they are really asking you. You'll **be a hit!**

# Job interview

**Ahmed:** Thank you for taking the time to interview me.

**Interviewer:** Hi there, I'm Bill Gotcha, the interviewer. Did you find your way here OK?
